RUSS' FAMOUS SOUTHERN STYLE BBQ

Our Original Southern Pit-Style Smoking process gives our cooked meats a different color from that of roasted meats. Slow-smoking for hours, using assorted woods such as apple, hickory, pear and cherry, gives beef and pork a pinkish color, and chicken may appear reddish at the thigh bone. All of our smoked meats have a distinctive "pink ring" caused by the smoking process, although the meat is fully cooked. Enjoy!

BBQ RIB PLATTERS
